A vacation of your dreams!
Five things that a boat trip will fulfil.

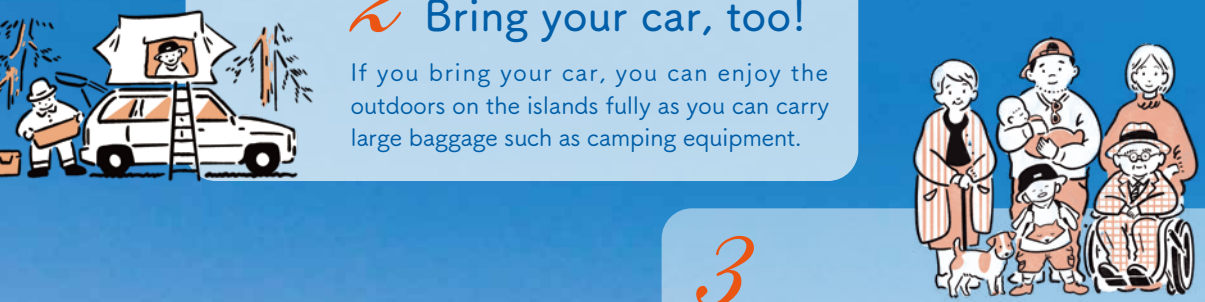

1 A relaxing and easygoing travel unique to a ferry

Play, sleep or enjoy the view of the sea from the deck... One of the charms of a boat trip is that you can enjoy it in whatever style you want. How you travel to your destination will also become a memorable part of your vacation.

2 Bring your car, too!

If you bring your car, you can enjoy the outdoors on the islands fully as you can carry large baggage such as camping equipment.

4 Have a whole day to play, as you arrive in Amami in the early morning.

Wake up to find yourself on a tropical island! Since the ferry combines accommodation and transport, you can enjoy seeing the islands from the morning.

5 Handy for traveling between remote islands

You can travel between the islands easily as there are inbound and outbound services on two sea routes daily.

How to take a boat trip to enjoy the gentle flow of time and the extraordinary

Route 1

Cross the tranquil Oshima Strait

Take the ferry in Amami, too!
Naze Port – Koniya Port Petite Cruise

Enjoy views that can only be seen from a boat.

2 hrs. 40 min.

You can reach Kakeromajima easily as the ferry calls at Koniya Port!

Cross the Oshima Strait that lies between Amami Oshima and Kakeromajima and call at Koniya Port. It has a beautiful ria coastline where you can enjoy views Route 1 that takes you out on the open seas does not offer.

Short Cruises that cross the calm strait

Head for the islands at the southernmost tip of Amami Oshima

KONIYA~IKENMA~SESOU

Ferry Kakeroma (Operated by Setouchi town)

KONIYA~UKEJIMA~YOROJIMA

Setonami (Operated by Setouchi town)

To Kakeromajima Take a leisurely cruise across the beautiful strait

To Ukejima & Yorojima Cross the blue ocean to reach the southernmost tip of Amami Oshima

Setonami links Ukejima and Yorojima. The 60-capacity boat is slightly bigger than a fishing boat, so be sure to check the service status in advance when the sea is rough, as the boat takes to the open sea through Oshima Strait.
